

# Jared Staples

## UX/UI Designer

### About Me

I strive to create processes as well as products that make life easier. I enjoy to use my knowledge of user experience to come up with creative solutions to problems in order to maximize efficiency and productivity.

### Certifications

CITI Certified

User Testing Certified

### Education

**Kennesaw State University** - Bachelor's Degree in Interactive Design

August 2017 - present

**Kennesaw State University** - Minor in Technical Communications

August 2017 - present

---

### Work Experience

**Black Airplane**, Woodstock, Ga - UI/UX Design Intern

June 2019 - August 2019

Black Airplane is a locally owned, full service design and development agency in downtown Woodstock. As a design intern, my core activities included:

- Building wireframes and prototypes
- Collaborating with a design team to perform UX audits for potential clients
- Designing internal projects such as brand guideline templates

**Peterson Logistics**, Marietta, Ga - Delivery Associate

May 2020 - Present

Peterson Logistics is a third party logistics company that is partnered with Amazon. As a delivery associate my core job is:

- Delivering packages in a timely manner in order to satisfy the customers desires
- Strategically loading the packages into the van in order to maximize efficiency
